Saturday, March, 25 2023

09:30 - 10:00 Brass sextet of the Army Music Corps Veitshöchheim

10:00 -11:00 Workshop: "Blitz" brass class for adults

For all those who have always wanted to play a wind instrument.... Come and try out your dream instrument. With the help of our teachers you will be able to play your first note at the end of the hour and together with others your first piece in an ensemble!

11:00 - 11:30 Adult brass class of the Music School Nuremberg

Every two years there is a new brass class for adults at the Nuremberg Music School. Making music together and enjoying music is the focus here from the very beginning. Listen to what can come out after 1.5 years.

11:30 - 12:00 Windstärke 12

.. emerged from the first adult brass class and is the next stop for most brass class graduates. The repertoire is a colorful mix of waltzes and operettas for the annual New Year's concert, movies and musicals, and hits and evergreens for the summer concerts.

12:00 -12:30 Workshop: "Blitz" brass class for adults

For all those who have always wanted to play a wind instrument.... Come and try out your dream instrument. With the help of our teachers you will be able to play your first note at the end of the hour and together with others your first piece in an ensemble!

Sunday, March 26 2023

16:00 - 18:00 **WIBRAPHON and Nordbayerisches Jugendblasorchester**
For the second time, the Nordbayerisches Jugendblasorchester will perform a joint concert with the WIBRAPHON Orchestra under the direction of Prof. Johann Mösenbichler. The joint project celebrated its premiere in 2019 with a performance of the 1st Symphony "Titan" by Gustav Mahler. Under the versatile and for the joint project fitting motto "Music in unison" the musicians with Prof. Johann Mösenbichler present for example Steven Melillo's classic "Godspeed", John Williams' film music blockbuster "The Cowboys" and "Star Wars Theme" as well as the "Fanfare of the Universe" by Siegmund Andraschek and further compositions by Marc van Delft and Percy Aldridge Grainger.

09:30 - 10:00 **Brass sextet of the Army Music Corps Veitshöchheim**

10:00 - 10:30 **Deanery Trombone Choir of Altdorf**

10:30 - 11:00 **District Choir of Trombone Choirs in Nuremberg**
The Protestant trombone choirs in Nuremberg are part of church music and their congregation. They all share a passion for music, the joy of fellowship and the praise of God.

11:00 - 11:30 **District Choir of Trombone Choirs in Nuremberg and guests**
The Protestant trombone choirs in Nuremberg are part of church music and their congregation. They all share a passion for music, the joy of fellowship and the praise of God. At the fair, members of Bavarian trombone choirs will unite to form a large body of sound. More than 80 brass players are expected for the concert, who will make music together under the direction of Thomas Engelbrecht.

Atrium stage Entrance Mitte

11:30 - 12:15 HAUPTSTADTBLECH... a Berlin sound experience

From the penultimate row of the symphonic orchestra into the limelight is the motto of the six instrumentalists!

HAUPTSTADTBLECH - behind this name stand six musicians who met in Berlin during various joint orchestra projects. Since 2005, they have been living out their artistic potential and their love of the capital city in this project.

13:00 – 14:00 Nordbayerische Brass Band

Under the proven direction of Mathias Wehr, the North Bavarian Brass Band will perform a thoroughly entertaining, lively, virtuoso and sometimes stormy programme with many classics from the brass band repertoire, including "Home of Legends" and "Vitae aeternum" by Paul Lovatt-Cooper, "Flight" by Mario Bürki, "Gospel Brass Machine" by Mark Taylos, "Song for Ina" by Philip Sparke with Meike Reidelbach on solo euphonium. There will also be a work by the conductor - in reference to the wooden bow ties that the band members wear at the concerts, Mathias Wehr has composed "Wooden-Bow-Ties-Celebration" for the 10th anniversary of the North Bavarian Brass Band in 2022.

14:00 - 14:30 Brass sextet of the Army Music Corps Veitshöchheim

14:30 - 15:30 Duo Michael T. Otto and Patrick Manzecchi

The duo concert is under the motto "Groove and Sound escapaden". You can hear the various exotic brass instruments, such as the world's first synthetic snail horns developed by Otto, serpent, and didgeridoo together with drums / percussion and live electronics.

15:30 - 16:30 Ricky and the Redstreaks

is a group of experienced musicians from Nuremberg who have dedicated themselves to the guitar-driven pop music of the past century. With much love, they perform carefully selected gems of music history.
